

Do you own, live in or manage a unit or apartment?

If so, along with over one million Victorians, you are affected by the Owners Corporations Act 2006.

From January 2008, all bodies corporate in Victoria became “owners corporations” and are required to comply with new laws.

To help you understand your rights and responsibilities so you can make informed decisions, Owners Corporations Victoria (with funding provided from the Victorian Property Fund) is conducting Information Forums during September and October.

For further information, please call Owners Corporations Victoria on 03 9416-4688, email info@ocv.org.au or visit website www.ocv.org.au
